Dear Mrs. Alley,

I have received your fax regarding the questions you have about participating in a status conference and have forwarded it to our Clerk's Office to be included in your docket (Docket No. [2020-186-E](#)). The purpose of the call is to simply engage the parties in an informal discussion about the status of your complaint, which I primarily understand to be a request that Dominion's medical opt-out form allow for a physician to be licensed outside of South Carolina. There are no specific ground rules for such a conversation other than I request that everyone be respectful. Additionally, there is no specific information that you will be required to have other than your Complaint.

All parties, which includes you, Dominion, and the Office of Regulatory Staff, and myself will be on the call from their separate office locations. To accomplish the call, I will schedule a call in number and access code at a specified time. The times that I have proposed are either 10:00 tomorrow or 2:00 tomorrow, which is Thursday, September 24, 2020. However, if you are not available at those times, please propose a date and time that you are available, and I will endeavor to schedule the call then, provided that the other parties are also available.

I look forward to hearing from you to see what time you are available to participate in the status conference. Please note I have sent this reply by email to all of the parties in the docket and have also had it posted to the docket.
